

**STATE OF MAINE  
ONE HUNDRED AND THIRTY-FIRST LEGISLATURE  
FIRST REGULAR SESSION  
JOURNAL OF THE SENATE**

In Senate Chamber  
Tuesday  
February 14, 2023

Senate called to order by President Troy D. Jackson of Aroostook County.

Prayer by Reverend Malcolm Himschoot of the Church of Universal Fellowship in Orono.

**REVEREND HIMSCHOOT:** Let us pray. Dear Present and Eternal One, make a clearing here for Your love and wisdom. Give us space to be and be whole. At times we use too many words. We talk and talk and hear ourselves speak and believe that we are understanding all the matters that we can verbalize about but You would ask us to tend to the silence, to the stillness where all words go, to the thrum of heartbeats, to the hush of breath, to the well-being of each creation, to the well-being of the least of these. May this be a day, O God, when our actions and our inclinations, even our words, serve the bodies and hearts of those throughout the state of Maine, extending love and acceptance even as we are held in love and acceptance. May overdose deaths be fewer. May residential care workers be upheld. May family members have to deal with less scarcity. May queer kids look forward to summer camp. May those on the islands be buoyed up, even in a time of climate change. May those in every community have clean water to drink. May peace prevail, not prisons or war machines. May everything flourish that is good for children and for other living things. Giver of life, giver of breath, in the mystery that forms Christ's compassion, death, and resurrection I pray. Amen.

National Anthem Performed by Livie Richard and Adriana Ramirez of Scarborough.

Pledge of Allegiance led by Senator Glenn C. Curry of Waldo County.

Reading of the Journal of Thursday, February 9, 2023.

Doctor of the day, Constance Adler, MD.

## ORDERS

### Joint Orders

Expressions of Legislative Sentiment recognizing:

Livie Richard, of Scarborough, who was chosen to participate and  
perform with the 2022 All-National Honor Ensembles Mixed Choir  
in Washington, D.C., representing the highest performing high  
school musicians in the country. We extend our congratulations  
and best wishes;

SLS 112

Sponsored by Senator BRENNER of Cumberland.  
Cosponsored by Senator: CARNEY of Cumberland,  
Representatives: GATTINE of Westbrook, MURPHY of  
Scarborough, WARREN of Scarborough.

Adriana Ramirez, of Scarborough, who was chosen to participate  
and perform with the 2022 All-National Honor Ensembles Mixed  
Choir in Washington, D.C., representing the highest performing  
high school musicians in the country. We extend our  
congratulations and best wishes;

SLS 113

Sponsored by Senator BRENNER of Cumberland.  
Cosponsored by Senator: CARNEY of Cumberland,  
Representatives: GATTINE of Westbrook, MURPHY of  
Scarborough, WARREN of Scarborough.

The Joint Orders were **READ**.

**THE PRESIDENT:** The Chair recognizes the Senator from  
Cumberland, Senator Brenner.

Senator **BRENNER:** Thank you, Mr. President. Mr. President  
and colleagues of the Senate, I would like to speak today about  
the accomplishments of the two Scarborough High School  
students, Livie and Adriana. In November of 2022, Livie and  
Adriana were two of nine students selected from Maine to sing in  
the All National Honor Ensembles Mixed Choir in Washington,  
D.C. Four days prior to the virtual audition deadline they learned  
of this incredible opportunity. They learned the song the day that  
they had recorded it for the submission. In the arts a one-day  
turnaround is a feat in of itself and certainly exemplifies the work  
of bona-fide artists. This notion was solidified in their acceptance  
and invitation to sing among 239 students from all over the  
country. After two days of rehearsals in Washington, D.C. they  
performed that Saturday in the National Level Choir. I'm very  
proud that these two talented students are up and coming  
performing artists from the great state of Maine. Such an  
accomplishment is a testament to their discipline, hard work,  
talent, and dedication but it is also a testament to their passion of  
love - passion and love of music, which is inspiring to watch come  
to fruition. I wish you both the best and look forward to seeing  
what you do next. Thank you.

The Joint Orders were **PASSED**.

Sent down for concurrence.

**THE PRESIDENT:** The Chair would once again like to recognize  
in the rear of the Chamber Adriana Ramirez and Livie Richard.  
They are both from the town of Scarborough. They are the  
guests today of the Senator from Cumberland, Senator Brenner.  
Would they please rise and accept the greetings of the Maine  
Senate.

### Joint Resolution

On motion by Senator **STEWART** of Aroostook (Cosponsored by  
Representative GRAMLICH of Old Orchard Beach), the following  
Joint Resolution:

S.P. 243

### JOINT RESOLUTION RECOGNIZING FEBRUARY 2023 AS 211 MONTH

**WHEREAS**, 211 Maine is a Maine-based health and human services and emergency preparedness and response helpline that provides Maine people free and confidential referrals to needed resources; and

**WHEREAS**, 211 Maine provides around-the-clock service statewide, offering efficient and effective responses from people employed in Maine to questions arising from the growing complexities in health, financial and human services and the needs of Maine people; and

**WHEREAS**, since 2006, 211 Maine call specialists have assisted with requests for information regarding topics ranging from substance use and recovery services to housing support and food resources, in 2022 fielding over 85,000 calls, text messages and e-mails from people looking for help; and

**WHEREAS**, 211 Maine has supported the Maine Center for Disease Control and Prevention and the people of Maine by fielding general questions about COVID-19 since the beginning of the COVID-19 pandemic, including questions regarding how people can best protect themselves, the common symptoms of COVID-19, travel advisories and the latest information on testing, and in this support role has fielded over 97,000 contacts; and

**WHEREAS**, during this past year, 211 Maine directed over 20,000 Maine people to heating and electric utility assistance services, which may have prevented their contacting the wrong agency for heating assistance, prevented utility shut-offs and saved people from spending winter nights without fuel; and

**WHEREAS**, 211 Maine handles a number of specialized services and partnerships, including the opiate helpline and the gambling helpline and serving as the centralized access point for the Help Me Grow Maine program, helping families with children from birth to 8 years of age get connected to needed services, and is also a resource for finding information about needs such as tax preparation, mental health services and browntail moth caterpillar prevention, mitigation and treatment; and

**WHEREAS**, 211 Maine provides a powerful example of how the government and nonprofit and private sectors can work together to improve the quality of life of the people of Maine; now, therefore, be it

**RESOLVED**: That We, the Members of the One Hundred and Thirty-first Legislature now assembled in the First Regular Session, on behalf of the people we represent, take this opportunity to recognize February 2023 as 211 Month.

The Joint Resolution was **READ**.

**THE PRESIDENT**: The Chair recognizes the Senator from Aroostook, Senator Stewart.

Senator **STEWART**: Thank you very much, Mr. President. Ladies and gentlemen of the Senate, I rise today in support of this Joint Resolution. I've done so for a number of years here that we've been - in both the House and when I came over in the Senate - to try to help spread awareness of this. So, you will know it's the month of February when I rise to talk about 211. This organization, as you heard in the Joint Resolution, has really proved itself to be invaluable to us as a state and certainly an asset to you all as leaders within your communities that no doubt get the same phone calls that I get when something's gone awry for one of your constituents and they're not sure where to turn next and thankfully we have such a resource here in Maine as 211, which I kind of refer to as the one stop shop for all of your assistance needs, all your questions that you might have about

various issues including, as you heard, you know, pandemic related questions, heating assistance issues, browntail moth. Again, you name it, it's the one stop shop you can go to for answers to just about any question. I first came in contact with the organization back in 2017 when I was appointed to the Opioid Task Force and we were trying to figure out then a better way to get information out about lifesaving resources that could be available to folks and just general - a general place where folks could go to have their questions answered about a crisis that we were experiencing as a state and we were trying to figure out a way to respond to as we kept getting those same phone calls; where am I supposed to go? What am I supposed to do? My loved one has a problem or I'm struggling, what are my options here? So, since then, you know, the organization has really just done remarkable work and I would direct you to the - I really enjoy reading the testimonials that are included in the handout that should be on your desks. You all should have received here this morning. Read through those because I think it underscores exactly the fantastic work that the ladies sitting behind me are doing, who we'll recognize in just a second. But I want to say thank to you and your team, Nikki, and all of the great work that you do on behalf of the people of the Senate, on behalf of my colleagues. Thanks for helping us do our job and saving lives in the state of Maine. So, with that, Mr. President, I appreciate the time to speak here and appreciate all that 211 does for the state of Maine.

**THE PRESIDENT**: The Chair recognizes the Senator from Waldo, Senator Curry.

Senator **CURRY**: Thank you, Mr. President. I, too, would like to stand and honor the folks at 211 and the service. I had the honor of serving for 10 years under - with a project called Communities for Children, an initiative under the Governor's Children's Cabinet, Governor King and Governor Baldacci, and in many of our projects what we need to do - many of the projects were about collecting resources for folks because life is complicated and it's even more complicated when someone's in crisis and there was a disconnect between helping folks who were in crisis find the right services. Often times those services existed but people didn't know where to go and so we had many projects that we funded to create resource catalogs, resource directories for a county, for a region, and it was, by great frustration, that by the time we finished the resource directory it was outdated and that organization had shifted or a new program had been created. It's incredibly complicated how we deliver our mental health and social service services and so when 211 came along it was a game changer because it was dynamic and it had the framework, the paradigm of 911 and experts on - that we able to answer the call and websites that you could search that were maintained and active, and it's just a real game changer for people who are in crisis trying to find the right services and so I want to thank 211 and I want to champion their continued efforts in issues across the state. Thank you very much.

The Joint Resolution was **ADOPTED**.

Sent down for concurrence.

**THE PRESIDENT:** The Chair is very pleased to recognize in the rear of the Chamber Nikki Williams of 211 Maine and Ninette Irabaruta of the United Way. Would they please stand and accept the thanks and congratulations of the Maine State Senate.
