Every year the Grammy's come to our homes to showcase the incredible work of A-list musical artists. This past year, at the 65th Annual Grammy's, three Mainers were nominated for awards and one of those talented people was Adam. On April 8, 2022, Chloe and the Next 20th Century was released, a folk-jazz-swing album by Father John Misty and engineered by Adam, and you do have to kind of rock when you say the name. His incredible work on this album earned him a spot in the nominations. In addition to the nomination, I'm here to present him with a - I'm pleased to present him with a sentiment to award the hours spent in the studio behind a soundboard, helping the artist's vision become a reality. The arts industry in Maine consists of a plethora of talented people who enrich our state through creation and innovation. Their devotion to their craft is deserving of recognition. Adam's talent and creativity are an invaluable part of this thriving art scene. I'm proud to stand today and honor his accomplishments.

Joint Resolutions

Joint Resolutions in Memoriam:

WHEREAS, the Legislature has learned with deep regret of the death of:

The Honorable Mabel Desmond, of Mapleton. Mrs. Desmond had a decades-long career as a teacher at several schools, including as a faculty member at the University of Maine at Presque Isle. She served as a four-term state representative, from 1994 to 2002, representing the towns of Mapleton, Castle Hill, Ashland, Washburn, Wade, Woodland and New Sweden, and chaired the Maine Education Research Institute Task Force from 1998 to 2002. Her support of Governor Angus King's Maine Learning Initiative, better known as the Laptop Project, helped lead to every seventh-grade and eighth-grade student in Maine having their own laptop to use during their school years. She served on the Maine State Board of Education from 2007 to 2010. She was an active and leading member of Delta Kappa Gamma Society, an international organization promoting personal and professional growth for women educators and excellence in education. She served as secretary, treasurer and president for the University of Maine at Presque Isle Alumni Association, was a member of the Maine Education Association and the National Education Association and served as county president of the Aroostook Retired Educator's Association. She received the University of Maine at Presque Isle Alumni Service Award, the State Leader in Education Award and the Legislator of the Year Award, as well as the Maine Education Association - Retired County Leadership Award. Mrs. Desmond will be long remembered and sadly missed by her family and friends and all those whose lives she touched;

Representative: ARDELL of Monticello.

The Joint Resolution was **READ**.

THE PRESIDENT PRO TEM: The Chair recognizes the Senator from Aroostook, Senator Jackson.

Senator **JACKSON:** Thank you, Madame President. Ladies and gentlemen of the Senate, until I sit down here, I hadn't really thought of the fact that Senator Stewart wasn't here today. Senator Stewart had actually reached out to me whenever Mabel - we heard Mabel had passed away and expressed to me how much he thought of her also and that, I believe, one of her grandsons was a good friend of his and he knew her quite well and I believe Senator Stewart actually got the chance to go to the viewing hours, visiting hours, or the funeral. So, I think, unfortunately he's not here today, but I know Senator Stewart would certainly share his great appreciation for Mabel. I just wanted to get a chance to get up and rise because she was a tremendous lady, somebody that I didn't have a chance to serve with here. Didn't even know her really until I got into the Legislature but, after a couple of years of being here, ended up meeting her at her home in Mapleton, a great big home in

Mapleton for such a small lady to take care of but what a force and what a just a unbelievable person to know. I don't know how many of you are in campaigns but I typically like to get out and go around. After a while those conversations that you have in doors probably do energize me but any time that I knew I was going to Mapleton I was excited because I knew I'd have a chance to stop and see Mabel. You know, I had two unbelievably great grandmothers but if I didn't have those two great grandmothers Mabel would be the person I would want for my grandmother. She was just like unbelievably nice. You know, really thought to think about you and ask things that I didn't know she would know about me. Sitting at her kitchen table having conversations about whatever was going on in the world was just like a pleasure, a gift really, something that, you know, unfortunately I won't have that opportunity any more with her, but having those times is something that I am going to treasure and I'm just incredibly sorry that she's not here with us anymore. Her service to the State of Maine, I believe, is incredible and I believe Senator Rotundo can speak better to that, but there's few people that I've met that would just make you feel incredibly good and I don't think I've ever - I mean a bad word was never said about Mabel Desmond because she was incredibly beautiful lady and someone that I that the State is certainly going to miss.

THE PRESIDENT PRO TEM: The Chair recognizes the Senator from Androscoggin, Senator Rotundo.

Senator **ROTUNDO:** Thank you, Madame President and colleagues of the Senate. I rise today to pay tribute to Mabel Desmond. I served with her when I first got to the Senate many years ago and we worked together on the Education and Cultural Affairs Committee. She became an important role model for me. She had the greatest of integrity and the highest standards of excellence. She was completely dedicated to the people that she served and I was always amazed that she would spend her weekdays here in Augusta and then go home and spend the weekend traveling around her enormous district to meet with constituents and to take care of their needs. She was so dedicated and so conscientious and we are all better off for the work that she did while she was here. I miss her terribly and the great work that she did lives on in the lives of the people of Maine. We're very grateful to her. Thank you.
