**Joint Resolutions**

(4-8) On motion by President **JACKSON** of Aroostook, the following Joint Resolution:  
S.P. 944

**JOINT RESOLUTION EXPRESSING THE SUPPORT  
OF THE MAINE LEGISLATURE FOR KEEPING MAIL PROCESSING  
AT THE EASTERN MAINE PROCESSING AND DISTRIBUTION FACILITY**

**WHEREAS**, the United States Postal Service is an essential service to the American public;  
and

**WHEREAS**, the United States Postal Service's report dated January 30th, 2024 recommends consolidating outgoing mail processing at the Eastern Maine Processing and Distribution Facility with the Southern Maine Processing and Distribution Center; and

**WHEREAS**, the Delivering For America plan devised by United States Postmaster General Louis DeJoy has already caused delays in mail delivery, lower service standards, reductions in workforce and lowered confidence in the United States Postal Service in general; and

**WHEREAS**, Maine, being a predominantly rural state, is reliant on the United States Postal Service for prompt and efficient delivery of the mail; and

**WHEREAS**, Maine has unique geographical and environmental challenges affecting transportation; and

**WHEREAS**, the shifting of mail processing operations currently proposed by the United States Postal Service away from the Eastern Maine Processing and Distribution Facility may further delay delivery service to the people of Maine; and

**WHEREAS**, the United States Postal Service has failed to address how these proposed changes may affect staffing and service standards for post offices served by the Eastern Maine Processing and Distribution Facility; now, therefore, be it

**RESOLVED:** That We, the Members of the One Hundred and Thirty-first Legislature now assembled in the Second Regular Session, on behalf of the people we represent, take this opportunity to express our support for keeping mail processing at the Eastern Maine Processing and Distribution Facility at its current status and express our belief that the proposed consolidation is not in the best interests of Maine people, that processing and transportation methods developed in other parts of the country are insufficient to address Maine's unique geography and climate and that the United States Postal Service should reverse its decision on consolidation of services at the Eastern Maine Processing and Distribution Facility; and be it further

**RESOLVED:** That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to Postmaster General Louis DeJoy, the Board of Governors of the United States Postal Service and all members of Maine's Congressional Delegation.

(4-9) On motion by Senator **GUERIN** of Penobscot, the following Joint Resolution:  
S.P. 945

**JOINT RESOLUTION RECOGNIZING MARCH 2024  
AS BLEEDING DISORDERS AWARENESS MONTH**

**WHEREAS**, bleeding disorders, which are distinguished by the inability to form a proper blood clot, are characterized by extended bleeding after injury, surgery, trauma or menstruation and can lead to significant morbidity and can be fatal if not treated effectively; and

**WHEREAS**, many individuals with hemophilia became infected with HIV and hepatitis C in the 1980s due to the contamination of the blood supply and blood products; and

**WHEREAS**, Bleeding Disorders Awareness Month will generate greater awareness and understanding of not only hemophilia but all inheritable bleeding disorders, including von Willebrand disease, which alone affects an estimated one percent of the United States population, or more than 3.2 million individuals; and

**WHEREAS**, Bleeding Disorders Awareness Month will foster a greater sense of community and shared purpose among all individuals with inheritable bleeding disorders; and

**WHEREAS**, Bleeding Disorders Awareness Month will elevate awareness of and engagement in the inheritable bleeding disorders journey for the general public, enabling the prevention of illness, unnecessary procedures and disability; now, therefore, be it

**RESOLVED:** That We, the Members of the One Hundred and Thirty-first Legislature now assembled in the Second Regular Session, on behalf of the people we represent, take this opportunity to recognize March 2024 as Bleeding Disorders Awareness Month.
